The discovery provided to the defense thus far is significantly voluminous and it is necessary for the defense to thoroughly review the discovery with the defendant in order to prepare an effective defense. The current motions cut-off date is December 29, 2005, and the current trial date is February 14, 2006.

The new proposed dates of March 2, 2006, for the motions cut-off deadline, and April 17, 2006, for the trial date, do not appear to prejudice any party, including the Government. Additionally, the proposed dates appear to serve the interests of justice. The defendant is in agreement with the proposed dates as he has signed a speedy trial waiver through May 1, 2006. Finally, the Government does not oppose the Defendant's Motion.

Accordingly, IT IS HEREBY ORDERED THAT:

The Pre-Trial Motions Cut-Off date shall be extended to March 2, 2006, with a new trial date of April 17, 2006.

SO ORDERED ON THIS 29th DAY OF December, 2005.
